# Shuddersome: Tales of Poe

adapted by [Lindsay Price](#) from Edgar Allan Poe

*The thumping of a heartbeat. The creak of a door. The howl of a bitter wind. The gong of a clock tower. The clang of alarm bells. The sound of beating wings getting closer and closer...*

*Specters, ghosts and ghouls come alive in this vivid theatrical adaptation of some of Edgar Allan Poe's best-known works. Included are The Tell-Tale Heart, The Raven, and The Masque of the Red Death.*

My name is Meredith Long-Dieth. I am the director of Fine Arts here at Christian Brothers School. I am excited to be working with our great kids and building a wonderful performing arts program at CBS. My mission is to provide a nurturing environment that inspires creative thinking, confidence, and character. I believe that every child is stage-worthy and full of creativity. It is my job to build confident, fearless learners. We do that at Christian Brothers School! This year we will have a FALL play and a SPRING musical. The fall play will begin **Wednesday, September 6th**. Rehearsals will be from **3:20 p.m. - 5:20 p.m.** in my room on the third floor of the Canal Street Campus.

I will also be holding a BACKSTAGE Club on Mondays. We will be working on costumes, sets, marketing, and SOUND EFFECTS for the play. This is open to students outside of the production cast. We will reveal the magical world of theater and backstage operations. They will construct scenery, props, and costumes for the productions. There will be a \$25 participation fee unless you are already registered for the fall play.

After the show closes, we will open Art Club activities on Monday afternoons. Information regarding the Art Club will be sent out to our families before the Fall show closes.
